GLASS ROLLER | HOW TO TAKE MEASUREMENTS

FIG.1

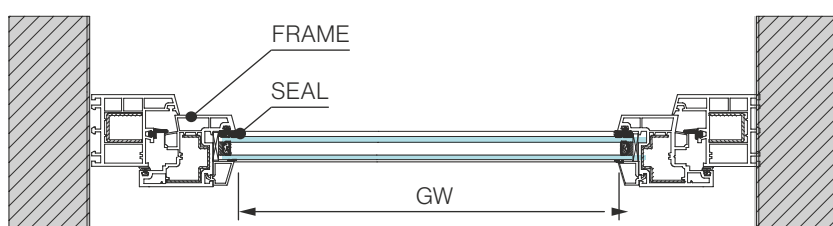

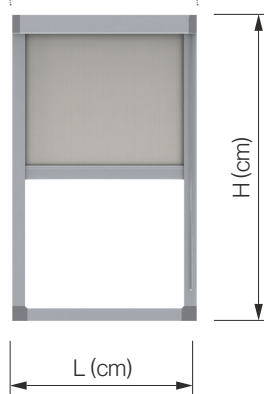

FRAME GLASS OPENING

Measurements must be taken inside the frame glass bead.

L = Glass opening width
H = Glass opening height

GLASS ROLLER BLIND

MEASUREMENTS AND ORDER FORM COMPLETION

Enter the internal glass width and height measurements in the order form (see FIG.1)

GW = (GLASS WIDTH)
GH = (GLASS HEIGHT)

The GLASS ROLLER blind will be supplied complete with adhesive velcro.
